- has been co-produced with families and professionals from a wide variety of agencies across Cheshire East

Cheshire East guiding principles (PDF, 340KB) were produced through collaborative work between professionals from a variety of agencies and local parent carers to guide the development of the Cheshire East Local Offer.

The Local Offer has two key purposes:

1. To provide clear, comprehensive, accessible and up-to-date information about the available provision and how to access it, and
2. To make provision more responsive to local needs and aspirations by directly involving children and young people with Special Educational Needs and/or a disability, their parents, and service providers in its development and review

The Local Offer provides information on a wide range of areas, including:

- education and training
- health provision
- care provision
- childcare
- things to do
- money and Benefits
- preparing for adulthood
- advice and support
- getting around (travel arrangements)
- how to tell us what you think about the Local Offer
